

# **MAMA**

*Kick-off meeting, Paris 11-13 March 2002*

*M.Zavatarelli@ambra.unibo.it*

## **Workpackage-8: MAMA-Diss&Prod:**

- **Task 8.2.1:** *Development of a user friendly interface for viewing and analysing 3D data*

## *Task 8.2.1*

*The graphical user friendly interface developed within MFSPP to view and analyse the Mediterranean Sea OGCM (MOM based) will be extended to the use with results for coastal shelf models (POM based)*

*The interface will be disseminated to MAMA partners and to interested users.*

# UVT: User Visualization Tool 1.1
