WHY?

In addition to attending news-making anti-piracy sessions, you will get to meet with decision makers and most senior executives from the shipping sector who can help structure benefits for your own organization as you help counter piracy.

- + Discuss short-term and long-term solutions with important industry and government speakers who can give you an accurate risk assessment
- + Learn about efforts taken by governments around the world to counter piracy;
- + Meet and build relationships with executives from leading oil, gas, petrochemicals, tankers and shipping companies
- + Find out what you need to know to successfully minimise your risk
- + Participate in interactive sessions with high-level industry players and make your organization stand out in a dynamic business environment

- > Real Cases
- > Panel Discussions
- > Break-out Sessions
- > Role Playing Sessions
- > Best Practices
- > Saving Lives

MEET High-Ranking Navy Officers

US, European & Horn of Africa states

Naval Forces

Strategies & Solution

Deterrence

Prevention

Repression

Conference Audience

The conference is aimed at a high profile international audience of senior figures from shipping, insurance and products and technologies suppliers , including strategists, analysts, acquisition executives, influential leaders and decision-makers.

- + Senior executives responsible for, and who influence, strategy within the international maritime industry.
- + Policy and procurement officials from the navy of many nations including the US, EU and Horn of Africa states.
- + Senior executives from the maritime industry and super tank owners.
- + US as well as international companies who are active in the region and have a stake.
- + Private security companies.

Why Attend?

MSAPC 2009 will provide you with insights and analyses of the current challenges facing the maritime industry off the Somali Coast, and through informed debate gain an understanding of the methodologies to overcome them:

- + Gain unparalleled insight into the future direction of piracy;
- + Hear how leading global executives and experts expect industry and policy to develop and overcome today's piracy;
- + Identify the best business opportunities for your organization;
- + Network with key policy and strategy makers;
- + Ask your questions to officials who are responsible for shaping the anti-piracy strategy
