

PIM XXXII 2007 ABSTRACT FORM

Acceptance of abstracts requires receipt of registration by July 16th, 2007

The length of abstracts should follow the categories listed below:

Invited speakers:

Plenary Lectures: An extended abstract up to 1,000 words (45 minute presentation)

Keynote Lectures: An extended abstract up to 1,000 words (45 minute presentations)

Panel Speakers: An abstract of up to 300 words (15 minute presentations)

Plenary, Keynote and Panel Speakers should also send a passport-sized colour photograph (preferred electronically), and a 200 word resume, for inclusion in the Conference Programme.

Contributed papers (oral and poster presentations): (15 minute presentations)

An abstract of up to 300 words. The Programme Committee has the final decision on whether papers will be presented orally or as a poster. The Programme Committee reserves the right to edit abstracts if necessary.

Acceptance of abstracts is tentative until registration fees are paid, and will lapse after the July 15th deadline has expired. Late submissions will be accepted only at the discretion of the PIM Conference Committee.

In all cases the format of the abstract has to be prepared upon the following guidelines and should include your name, affiliation and title. Please note that for joint presentations, the name of the presenter should be underlined.
