THE MALTA DECLARATION.....	V
YOUTH OCEAN PARLIAMENT DECLARATION	VII
STATEMENT & RECOMMENDATIONS BY WOMEN DELEGATES.....	X
WELCOME	
Awni BEHNAM, President, IOI.....	XII
Aldo DRAGO, Director, IOI-MOC.....	XIII
Salvino BUSUTTIL, President, Fondation de Malte.....	XIV
David R. BUSUTTIL, Executive Director, Fondation de Malte.....	XIV
OPENING CEREMONY	2
Opening Remarks	
Awni BEHNAM, PRESIDENT IOI.....	3
H.E. Edward Fenech ADAMI, President of Malta	6
H.E. Munir AKRAM, Ambassador, Pakistan.....	8
Michel JARRAUD, Secretary-General, WMO.....	9
Asha-Rose MIGIRO, Deputy Secretary-General UN	10
HIGH LEVEL SEGMENT	11
Message to the Conference	
Mário SOARES, <i>Presidente</i> , Patron of the IOI	12
An integrated Maritime Policy for the European Union	
Joe BORG, Commissioner, Fisheries & Maritime Affairs.....	14
Message to the conference	
Juanito CAMILLERI, Rector, University of Malta.....	18
Salvano BRICENO, Director, UN/ISDR Secretar	20
Special Session on the EU Maritime Policy	
Integrated Maritime Policy for the EU.....	26
Integrated Maritime Policy for the EU.....	27
Izolda BULVINAITE & Rafal MAZANEK, EU Task Team on Maritime Policy	
Making the EU Maritime Policy work in the Mediterranean – the support from Operational oceanography.....	
Aldo DRAGO, Director, IOI-MOC	31
PLENARY SESSION Breaking New Ground – Waves of Change	33
Breaking Barriers, Building Partnerships, Generating Action.....	
Noel J. BROWN	34
Towards A New Vision Of The Blue Planet –the world ocean: How can we achieve ocean sustainability by promoting the citizenship of the ocean?	
Philippe VALLETTE	39
Breaking New Ground: Charting New Directions for Integrated Oceans Governance	
Biliana CICIN-SAIN.....	45

Engaging Social Networking for Development Kirsten JORDAN	46
Ocean Governance: Women as Stakeholders for Change? Sunil MURLIDHAR SHASTRI	47
PLENARY SESSION Theme 1	
The State of the Ocean – Current challenges and future prospects	53
Opening Speech Hon. Min. Vincent GALEA	54
Assessing the Polar Oceans David CARLSON	55
The Importance of the Professional in Meeting the Challenges and Future Prospects for the Oceans Graham HOCKLEY	56
Climate variability events and marine forecasting activities in the Mediterranean Sea: the operational oceanography approach Nadia PINARDI	60
THEME 1 Marine Biodiversity and Food security	66
Biodiversity – An Issue of Governance Awni BEHNAM	67
Status of Critical Marine Ecosystems in the South Western Indian Ocean James KAIRO and Salomão BANDEIRA	75
The Caribbean Large Marine Ecosystem (CLME) Project: Governance framework and key challenges L. FANNING, R. MAHON, P. McCONNERY & C. TORO	83
Reflections on Marine Biodiversity and Food Security Leonard SONNENSCHNEIN	90
Fishes Feed Us: An Art-Science Youth Project Cynthia PANNUCCI	93
Poverty alleviation and sustainable use of aquatic resources Lennart NYMAN	99
THEME 1 International Polar Year	100
International Polar Year - An Opportunity for Enhanced Capacity Building Eduard SARUKHANIAN	101
The Scotia Sea region: links between the marine ecosystem and ocean physics Angelika RENNERT	107
Association of Polar Early Career Scientists (APECS): Shaping the Future of Polar Research Claudia HALSBAND-LENK, Jenny BAESEMAN, Jose XAVIER & Daniel PRINGLE	108

THEME 1 Marine Disasters and Coasts Vulnerability	114
Critical Assessment of Global and Regional Disaster Vulnerabilities Strategies for Mitigating Impacts George PARARAS-CARAYANNIS	115
Coastal Disasters: When marine hazards meet terrestrial vulnerabilities – risks, reasons and remedies Janos J. BOGARDI & Jessica JOHMANN	121
Risk Factors for the 17 July 2006 Java Tsunami which killed 802 people Yuichi ONO	126
DisasterAWARE: A Comprehensive Decision Support System for the Emergency Manager Stanley GOOSBY, Chersdak VIRAPAT, Tavidia KAMOLVEJ, Jim BUIKA & Sharon MIELBRECHT	129
Addressing Coastal Ocean and Marine Area Hazards in Africa through Coordinated National and Local Participation Larry AWOSIKA.....	130
RECOMMENDATIONS FROM THEME 1	131
PLENARY SESSION: THEME 2	
Involvement of Women and Youth within the Millennium Development goals Strategies: Options and Challenges Related to the Ocean Protection.....	139
Furthering the Role of Women and Youth in the Protection and Development of the Marine and Coastal Environments and their Resources Makram A. GERGES	140
Education, employment and empowerment: opportunities offered by oceans and coasts Gunnar KULLENBERG	147
The tangible, positive effect of youth empowerment in achieving the UN Millennium Development Goals Jessica RIMINGTON	154
THEME 2 Public Awareness, Youth and the New Media	155
Acting together for the future of the Blue Planet: the World Ocean Network’s strategy for public education Manuel CIRA.....	156
United Nations Atlas of the Oceans: pooling knowledge on the state of the oceans and their sustainable use Tina FARMER	162
Using Drama for Learning Scientific Concepts Deborah CHETCUTI & Anthony BEZZINA	166
Media and Youth Workshop Gwen CASSIDY	172
Pursuing Sustainable Development in Gau Island, Fiji: a community initiative to address a global concern. Joeli VEITAYAKI and T. MURAI	173

THEME 2 Ocean Advocacy: Role of Women & Youth in Communicating the Message and Effecting Change – Regional Advocacy and Regional Caucuses 180

Programmes of the Foundation for Environment Education
Vince ATTARD..... 181

An Australian youth perspective on sustainable fisheries
and marine protection in the Australasian and Pacific regions
Dylan Furnell..... 182

Engaging women and youth in addressing ecosystem based management, good governance and
security issues in the Mediterranean – Black Sea region
Vladimir GOLITSYN 186

Erosion hazard vulnerability of Northern Malta’s coastal zones: How may women and youth be
implicated in it?
Maria Theresa FARRUGIA..... 192

Environmental Awareness in Youth: the HELMEPA Junior approach
Marina PAPAIOANNOU 200

The World Ocean Observatory: An Internet-Based Forum for Ocean Information and Education
Service
Peter NEILL..... 205

THEME 2 Education for Sustainable Development..... 206

The gender gap in science and technology in Malta – evaluating the problem and tackling the
issues
Horace GAUCI & John BAPTIST GAUCI..... 207

The City as a Learnscape - integrating sustainability learning in the Townsville
(Qld, Australia) urban environment
Damien SWEENEY & Greg BRUCE 215

Youth and Children Program: Marine Environment Education for Children
A. HARSONO SOEPARDJO & R. WIDIARTI 222

Empowering young female geography graduates in Malta for ocean and coastal
management
John A. SCHEMBRI & Maria ATTARD..... 230

THEME 2 Women/Youth and the Sea Programme 238

IOI-KIDS: A web-based learning resource on the sea for children and youth..... 239
Aldo DRAGO

RECOMMENDATIONS FROM THEME 2 248

PLENARY SESSION: THEME 3

**New Solidarities for sustainable ocean governance:
engagement of women and youth 255**

Regional Governance in the Mediterranean (An almost metaphysical note)
Salvino BUSUTTIL 256

The World Ocean Council: Developing Corporate Ocean Responsibility and Young Ocean
Entrepreneurs
Paul HOLTHUS 262

THEME 3 Women's Ocean Caucus	266
Impact of Coastal Disasters on the Economic Activities of Fisherwomen in Kanyakumari District, Tamil Nadu, India Sambadan MANICKAM	267
Using innovative exhibitions to attract sponsors and inspire the public to conserve their marine environment Genevieve QUIRK	272
THEME 3 Women's Ocean Caucus (Continued)	273
Eco-friendly prawn farming with <i>Pokkali</i> cultivation – Role of women and children in coastal resource management and poverty reduction. Joseph S. PAIMPILLIL	274
Women and the Sea Peter SERRACINO INGLOTT	281
THEME 3 Establishment of the Youth Ocean Parliament	283
Youth Ocean Parliament - Introduction Manuel CIRA	284
YOUTH OCEAN PARLIAMENT - FINAL DECLARATION	286
RECOMMENDATIONS FOR THEME 3	291
PUBLIC LECTURES	294
ARVID PARDO MEMORIAL LECTURE Arvid Pardo: The Visionary Inspiring the Common Heritage Concept Alexander YANKOV	295
ELISABETH MANN BORGESE MEMORIAL LECTURE The Oceans – from a Heritage of Power to a Heritage of Peace Joanna Darmanin	301
POSTER PRESENTATIONS	309
Disaster AWARE The Pacific Disaster Center: Fostering Disaster-Resilient Communities through Information, Science and Technology Tipsakorn AIADMUSIK	310
Status of coastal and marine habitats in the Western Indian Ocean - A transboundary analysis James KAIRO, S. BANDEIRA, J. BIJOUX, and N. JIDDAWI	310
Sea pollution caused by offshore drilling platforms Katrin BEHRENS & Anniek LANGE	311
What could happen at home - A regional look on climate change Ines BRODDA	311
Development and management of national disaster early warning system in the Indian Ocean: Thailand case study Thaworn CHAROENDEE	312

Would the icebergs have impeded the Titanic in 2050? or How to reduce the carbon dioxide emissions caused by shipping? Karim DILLHÖFER, & Constantin BETHKE	312
Introducing an Active Role for Women in Small-Scale Fisheries: A Primary Experience in an Artisanal Fishing Community in Egypt Azza EL-GANAINY, Dr. Makram A. GERGES, Dr. Mohamed H. YASSIEN and Dr. Mohamed A. T. HASANIN	313
Offshore-Wind Park-Mariculture Marie-Louise GORKISCH & Johanna GÖBEL	313
Effect of public awarness on the environmental protection of coral reef ecosystems at the Egyptian Red sea coast- Egyptian experience Mohamed HAMZA HASAN	314
Participation in the “Environmental restoration project on enclosed coastal sea” in Ago Bay, Japan Akiko HIROKAWA	315
The integration of intergovernmental coordination and information management in response to immediate crises Tavida KAMOLVEJ	315
2007 International Day for Disaster Risk Reduction at the Asia Pacific Regional Workshop and the 36th Rajaphajanugroh School in Phuket, Thailand Natthasan LEELABUTRA	316
Seagrass-Watch: Engaging Torres Strait Islanders in Marine Habitat Monitoring Jane E. MELLORS, Len J. MCKENZIE and Robert G. COLES	317
Project for Supporting Coral Self-Recovery Nao NISHINO	318
The Role and Social Significance of Women and Youth in Ancient Mediterranean Cultures in Sustaining Development Through Connection with the Sea, as Revealed by Implied Symbolisms of Marine Mythology George PARARAS-CARAYANNAS	318
Action-research project: technical and socially innovative sanitation solutions for fishing communities in environmental protected areas - the case of Island das Peças, Paraná, Brazil N. PIERRI, M.Y. CHANG, T. Von KAICK	319
IOI-Ukraine Participation in Women, Youth and the Sea Programme Viktorya RADCHENKO	320
Harbor Expansion versus Nature Protection – Is there a compromise? Anna SCHOPP & Dominik RUDOLF	320
Aquaculture and the resulting problems in Ecuador Simon SUHR & Jan GRÖTICKE	321
Marine Ecosystem Rehabilitation Program in Impacted Area Wannakiat THUBTHIMSANG	321
Celebration of 2007 World Ocean Day in Thailand Chersdak VIRAPAT, Sunthari PHORNSUNTHARANAN, and Bundit WONGCHUMPA	322
Adaptive Learning in Disaster Management for Community Awareness and Resilience Chersdak VIRAPAT, Passkorn KUNTHASAP, and Natthasan LEELABUTRA	322

Caspian seal studying in the in modern conditions of the Caspian sea ecosystem V. ZAITSEV, Irina KURINNAYA.....	323
The development of the Women/Youth & the Sea Programme in the Caspian Sea region V. ZAITSEV and A. S. MIKOUIZA.....	324
Application of imitating modeling method to study some copepods dynamics in the Caspian Sea V. ZAITSEV, & R. TARASOVA.....	325
